### **Actions from first meeting**

1. JT to contact suitable people from the plastics community to encourage at least one to attend the next meeting.  
*JT has met with Peter Davis, Chief Executive of the British Plastics Federation. BPF are already involved in major materials research and do not want to duplicate work.*
2. JT to discuss with Nick Morgan of DTI to understand administrative issues of MatUK  
*NM and JT met.*
3. JT to look for data on end use of materials e.g. for buildings, infrastructure  
*Ongoing*
4. JT to meet with TB to discuss current and potential future funding mechanisms  
*TB and JT met. Small number of programmes identified. More details to follow.*
5. PR to discuss remit with other MatUK WG chairmen to ensure no overlaps or omissions  
*Report at meeting*
6. JD to send JT the Composites Network road map when ready  
*This has been circulated to members*
7. Members to send in information on research and/or road maps on their sectors to JT  
*Awaited.*
